Activities in our school

Learn and Play !

"Ecoterrians School"

- Our school participates every year in the "Ecoterrians School" project, which aims to bring the message of the importance of environmental protection to schools through active participation in waste collection.

"Ecoterrians School" is an awareness and collection campaign for waste electrical and electronic equipment (WEEE) and waste batteries and accumulators (DBA), dedicated to schools in Romania with primary and secondary education, which runs throughout the school year.

"Green Week"

- ▶ "Green Week" is a national program, in line with the report "Climate Change and Environment Education in Sustainable Schools,,
- ▶ This week students learn about types of waste, how to recycle, greening activities and a parade of costumes made from recyclable materials
